Prayer Pointers:-

1. Break into small group of 4 persons, to pray for our church focal points, each person praying for:-
 - a. **Evangelism** – God to lead us how we can do effective evangelism that will lead more souls into His kingdom.
 - b. **Missions** – God’s guidance on where we should start new works or other projects. Divine blessings for us to fulfill our pledges.
 - c. **Discipleship** – We will hunger to learn His Word and believers will become faithful disciples.
 - d. **Community Services** – Our community works (Dialysis centre; Rumah; Kids Kingdom) to become more effective and to be able to expand even further.

2. Pray for our “Enlarging the Tent”, that God will open all the doors for us to have an expanded facility to cater for more numerical growth.
-Pray that He will lead us closely and His perfect will be done.

3. Pray for the current Economic Shakings.
-that people will not respond with fear and despondency but with faith and hope, drawing near to God.
-Pray for a speedy recovery and out of this problem, many will find the need to accept JESUS.

BOOK OF JAMES – LESSON 2.

SCRIPTURES TO READ:- JAMES 1:2-4
THEME; 'THE MEASURE OF A CHRISTIAN.'

1. As you read the bible passage, why did James asked us to rejoice in the midst of trails? Can some members share from your experiences if this is true.

2. The passage of bible talked about "trials of many kinds.". What kind of trails can you think of? What or who may cause these trials. Do some brainstorming on this.

3. Taking Joseph of the Old Testament as a case study. What did the trails do to him? Name as many as you can think of in terms of the virtue learnt and the experience that he had.

Conclusion:-

May God give us the grace, strength and wisdom as we face each trial that He permits. Pray for those who may be going through a trial right now.
